RATES

1. Late Payment Fee: A late charge of 1.5% on unpaid balance will be assessed and customers will be notified on the monthly issued bill that the 1.5% late fee will be applied to any account that is not paid before the past due date shown on the bill. Reconnection Fee: Where service has been discontinued for violation of these rules or nonpayment of bills, the utility may charge $10.00 for reconnection of service during regular work hours or $175.00 for reconnection of service at other than regular working hours when the customer has requested that the reconnection be made at other than regular working hours. If payment is received after 3:00PM, service will not be restored until the next business day. All bills shall be subject to the PUC reimbursement fee as set forth in Schedule No. UF.
