

COMMUNITY IMPACT

2023 Report

At Indiana American Water, our work extends beyond providing safe, reliable water and wastewater services to our customers. We are also committed to supporting organizations that make our communities a better place to live and work. That's why we're proud to have provided over \$300,600 in funding to 79 organizations to benefit the well-being of our customers, communities, and watersheds. Making an impact across the state is one more way we help keep life flowing!
