Applicant's water account must be in good standing and program requirements must be met to be eligible for rebates. Customer must agree to and sign the application agreement before rebate is administered. Changes made related to rebate program must comply with all applicable laws, codes, policies, covenants, conditions, and restrictions.

Rebate Program Instructions:

- ❖ **Because rebate amounts and rebate program availability are subject to change, visit www.amwater.com/caaw or call 619-446-5706 to determine current eligibility.**
- ❖ Mail in completed application before project starts. Once application is received a conservation specialist will call to schedule appointment for pre-inspection. If project is approved, then installation can begin.
- ❖ Tenants must get owner authorization in writing to receive rebate.
- ❖ Attach a copy of your most recent water bill for the address where the drought tolerant landscape will be installed. If you reside in an apartment complex, condominium or mobile home park, please contact your Homeowner's Association or manager for a copy of the water bill.
- ❖ Retain a copy of this application and the sales receipt for your records. The Rebate Program is not responsible for materials lost or delayed in the mail, including misdirected mail.
- ❖ Fill out a tax form W-9 with Waterwise Consulting for your rebate, you will receive a 1099-MISC if the rebate is over \$600.

Disclaimer:

California American Water makes no representation or warranty regarding the product eligible for rebates under the Rebate Program. By participating in the Rebate Program, you waive and release California American Water from any and all claims and causes of action arising out of the purchase, installation or use of the products purchased in connection with the Rebate Program. Any claim you may have based upon any defect or failure of performance of a product purchased by you should be pursued with the manufacturer/distributor.

Please submit application with copy of water bill to:

**California American Water
Conservation Department
1025 Palm Ave
Imperial Beach, CA 91932**

Residential Turf Removal Program Terms and Conditions San Diego County Service District

Residential Turf Removal Program Requirements:

- ❖ The project must be completed on properties located within California American Water's San Diego County service district.
- ❖ The applicant's water bill must have a higher usage in the warm and hot season than in the cool season, to show that the lawn is being watered regularly and that the savings will show after the conversion. The applicant's water bill must be in good standing.
- ❖ Existing turf in project area must be living and regularly irrigated.
- ❖ An in-ground irrigation system must be operational at the time of the pre-inspection.
- ❖ A Residential Water Survey and pre/post inspection must be performed by a California American Water Conservation Specialist before approval and rebate is issued.
- ❖ Lawns removed prior to pre-inspection are not eligible for rebates.
- ❖ Minimum project conversion area is 100 sq. ft.
- ❖ Maximum project conversion area is 750 sq. ft.

Requirements for the Completed Converted Area:

1. The area does not include any live turf. At least 50% of the converted landscape surface must be covered by **only** California native, drought tolerant plants. Artificial turf is not an eligible alternative.
 2. A drip and/or micro spray irrigation system must be installed if landscape contains newly planted native, non-invasive plants.
 3. All exposed soil must be covered with a 2" layer of mulch, except in areas planted with creeping or rooting groundcovers or directly seeded.
 4. Converted areas must be permeable to air and water (i.e. gravel, loose flagstone, decomposed granite). Weed barriers must be permeable. Concrete, plastic sheeting or other impermeable surfaces do not qualify.
 5. Conversions must comply with all applicable laws, codes, policies, covenants, conditions, and restrictions.
 6. Project site must be maintained for a minimum of 5 years, or for the duration of ownership of the property (whichever is shortest). Failure to meet this requirement may require customer to refund all or a portion of the rebate.
-
- ❖ Complete applications will be processed in the order received. This offer is subject to available funding.
 - ❖ Only one Turf Removal rebate per address will be issued. Project must be completed within 120 days upon project approval.
 - ❖ Landscape materials must be installed at the address identified on the application subsequent to submittal of this application.
 - ❖ The rebate amount will not be higher than the cost of the materials. Labor, including Professional Labor, is not included. Rebates will never exceed the maximum amount allowed of **\$1.50 per sq. ft. up to 750 sq. ft.**
