Rebate Program Instructions and Terms

- ❖ Customer must be an account holder for a property located in the California American Water's San Diego Service District.
- ❖ The purchased device(s) must be new and must qualify as an approved product. Lists available at amwater.com
- ❖ All rebate amounts, programs and funding availability are subject to change. For more information or to confirm eligibility please call your local conservation representative at 619-446-5707.
- ❖ The rebate amount will not be higher than the cost of the device plus installation if professionally installed, and will never exceed the rebate amount allowed. This offer is subject to available funding.
- ❖ Device(s) must be installed at the California American Water service address identified on the application ("Property Address") prior to submitting application.
- ❖ All devices for which a rebate is issued are subject to an on-site installation verification inspection. If device installation cannot be verified, the payee must reimburse the Rebate Program for rebate funds received, including all associated processing costs.
- ❖ **Please enclose:**
 - **Original sales receipt.** Receipt(s) must include the make and model of the device(s) purchased. Receipts for all covered appliances and parts must be received within the 120 days of purchase. Please include a self-addressed stamped envelope if you would like your receipts returned.
 - **Your most recent California American Water bill** for the address where the device(s) were installed. If you reside in an apartment complex, condominium or mobile home park, please contact your Homeowner's Association or manager for a copy of the California American Water bill.
 - **Written authorization if needed.** If applicant's name is not listed as the account holder, written authorization from the account holder must be submitted to receive a rebate. Tenants must get owner authorization in writing to receive rebate.
- ❖ Retain a copy of this application and the sales receipt for your records. The Rebate Program is not responsible for materials lost or delayed in the mail, including misdirected mail.
- ❖ Complete applications will be processed in the order received. Please allow eight to ten weeks for processing.

Disclaimer:

California American Water makes no representation or warranty regarding the devices eligible for rebates under the Rebate Program. By participating in the Rebate Program, you waive and release CAW from any and all claims and causes of action arising out of the purchase, installation or use of the devices purchased in connection with the Rebate Program. Any claim you may have based upon any defect or failure of performance of a device purchased by you should be pursued with the manufacturer/distributor.

Please submit application and other items required to:
