

# Road Closures

## Illinois American Water's work to separate the Alton combined sewer system and install new sanitary sewers continues.

*Below is information about road closures beginning Feb. 6, 2023*

Piasa Valley Area: 9<sup>th</sup> Street remains closed to thru traffic from Alton Street east to George Street. Pavement restoration is ongoing and should be completed in the coming weeks.

Belle Street sewer work has moved north of the intersection of 7<sup>th</sup> Street. 7<sup>th</sup> Street east of Belle Street is partially restored, with some restoration work to continue in the coming weeks. Additional work will be completed west of Belle Street on 7<sup>th</sup> street in the coming weeks. Final pavement restoration in this area will follow.

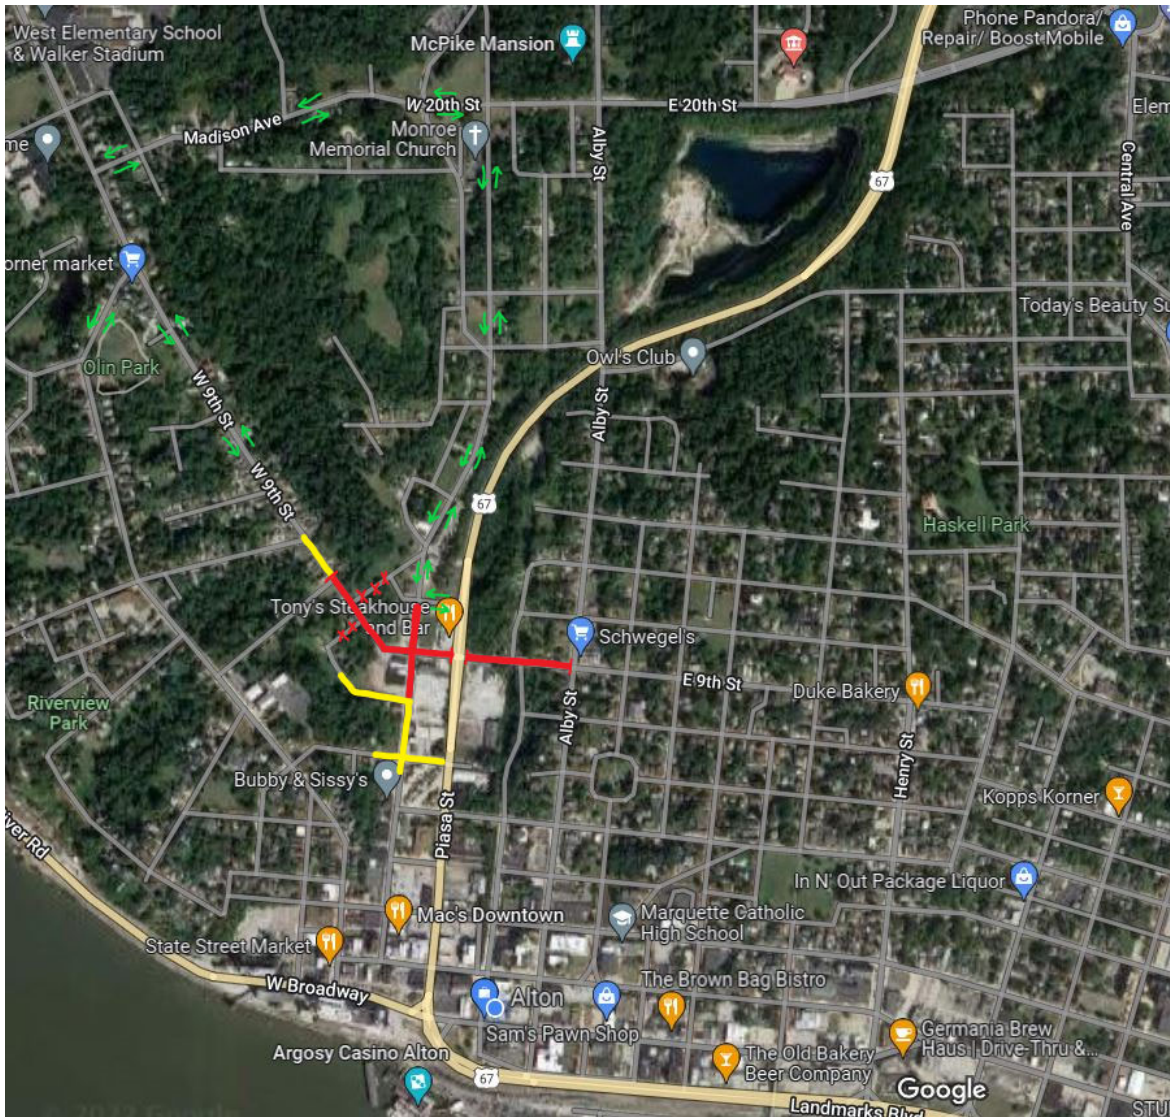

**ILLINOIS AMERICAN WATER WAS RANKED HIGHEST IN CUSTOMER SATISFACTION WITH LARGE WATER UTILITIES IN THE MIDWEST THREE YEARS IN A ROW!**

# Road Closures

Sewer work is progressing around the intersection of 9<sup>th</sup> and Belle Streets. Starting Monday, 2/6/2023, a sewer crew will be moving north up 9<sup>th</sup> Street. This will close the intersection of 9<sup>th</sup>/Hamilton, meaning any southbound traffic on 9<sup>th</sup> Street will need to use Madison (20<sup>th</sup> Street) or State Street to navigate around the work area. Belle Street at 10<sup>th</sup> Street will remain open for traffic to access Piasa Street for the next couple of weeks. Additionally, another sewer crew will be starting work again between Piasa Street and Alby Street. North-South traffic on Piasa Street (US 67) will not be impacted.

## Safety:

These closures are necessary for investments to the wastewater system to be completed in a safe manner. At Illinois American Water our team and our contractors work as quickly as possible to minimize inconvenience to our customers. We do our best to minimize the length of construction, but our #1 priority is safety. At times, road and sidewalk closures may be extended to support our commitment to safety.

**Contact:** Customers should call 800-422-2782 with questions.
