

WEST VIRGINIA
AMERICAN WATER

WE KEEP LIFE FLOWING®

Since 2013, West Virginia American Water's Firefighting Support Grant has awarded 156 grants totaling over \$131,000 to fire departments and emergency management agencies across the state.

FIREFIGHTING SUPPORT GRANTS

West Virginia American Water is proud to partner with the men and women who volunteer for and support our local fire departments. Thank you for your hard work, dedication and invaluable service to provide fire protection to our communities.

To show our appreciation, West Virginia American Water created the Firefighting Support Grant Program to benefit local fire departments.

FIRE PROTECTION GRANTS

West Virginia American Water Firefighting Support Grants provide financial assistance to fire and emergency organizations serving communities in the company's designated service areas. Grants are awarded to cover the costs associated with purchasing personal protective gear, communications equipment, firefighting tools, water handling equipment, training and related activities/materials used to support community fire protection. Reimbursement for specific fire training classes, including the cost of training manuals and student workbooks, is eligible.

Individuals are not eligible to receive grants. Only uniformed professional and volunteer fire departments serving West Virginia American Water's service territory are eligible to receive funding. Regional or county-wide applications are encouraged to maximize the number of fire and emergency organizations that would benefit from the grants. The maximum grant amount is \$1,000.

DEADLINE TO APPLY: WEDNESDAY, JULY 31, 2024

Applications must be emailed or postmarked by July 31, 2024.

- **Mail:** Sarah Wade, West Virginia American Water, 1600 Pennsylvania Avenue, Charleston, WV 25302
- **Email:** sarah.wade@amwater.com

All applicants will be notified if their application is approved and the amount of funding.
